#### What The County Clerk is required to do. The laws of this State, in Chapter 103.

Art. XIV, Sec. 18. provide as follows: "The clerk of the Board of Supervisors day, shall, at the close of each annual or special meeting of the Board, cause a brief state-ment of the proceedings thereof to be published in a newspaper published in the county, in which shall be set forth the name of every individual who shall have

on the D. V. R. R., was run over by the cars and instantly killed, on Friday night. had any account audited and allowed by said Board, and the amount of said claim as allowed and amount claimed, and also their proceedings upon the equalization of up a good deal of room in trying to prove the assessment roll that \$16,606 is not sixteen thousand six hundred and six dollars-and fails,

It will be observed that this law is man datory on the County Clerk. It does not say he may do it, or that the Supervisors may do it, but that the "Clerk shall" etc., etc. It has been the practice in this coun

ty for the Board of Supervisors to make some arrangement by which the proceedings could be published in all the papers. in order that all the people may have access to the doings of the Board in the paper of their choice. The law does not require this-nor does it prohibit it-and so taking farmers' paper payable at Allen's Epstein says he has just received a bushel of diamonds, and persons buying and not being satisfied with their bargain in the county to fill the requirement of the law without costing more than one paper would charge its customers generally for such work, it was desirable that the

At the June session of the Board Mr. All the latest styles of Hats and Caps, and old arrangement and set the newspapers to bidding against each other. We suggested to him that it would not be advisable; it would breed ill-feeling; would look tion with the Andrew Orphan Asylum like an effort on the part of the Board to committed suicide by drowning after his compel people to take a paper which they return to Germany. did not care for, and that the tax thus imposed upon them would be an unnecessary that the proceedings should be published in this city or Davenport, of which there stomach, renovates the system and proin all the papers and that the price then isn't enough to dissolve. charged was not one-half the usual rates

At the July meeting he again revived al of him live in this county as know we the subject and represented to us that well, but they we fear will go to-Moline Sup'r Lobdell had a proposition ready to and be elected to the council. submit, from the Review; that only one paper would be paid, and that one would be the lowest bidder. Other Supervisors nalist who seeks political preferment belitsaid the same thing. Under this repre- tle his office, and incurs a serious danger sentation we made a proposal and as soon of sacrificing that independence which is as the proposals were opened (ours was the lowest) Mr. Bowles went back on his own proposition and made up a own way in organizing the two houses of report giving it to two papers, congress. Big jobs may be expected. The and then the Board went back corruptionists know that the people are Smoking Jackets, at Dart & Dart's are on the idea of one paper and give it to all resolved upon retiring them, and the last ing at our figures.
